FENNELL ORCHID COMPANY

Homestead, Florida

SPECIAL LIST OF ORCHID SEEDLINGS

Community Pots

These are strong young plants in 3" pots, about 25 to 40 plants per pot. Only the finest parents are used and the plants are in perfect health. At the SPECIAL LOW PRICE of \$12.50 per pot they are a real bargain.

- R182 - (LC Pamela x C. Gatton Ruby) x LC Sam Houston - Both parents very fine, dark, winter blooming, floriferous.
- R191 - C. Trianaei x BC Hartland - Should make a dark, fine, large winter B rasso.
- R216 - C. Belgica x LC Hertha - This should be one of the very best winter blooming Laelio-cattleyas. Remy Chollet blood here.
- R201 - Lc Tirlemont x C. Nutey alba. - Both plants white with colored lips, late winter and spring blooming - should be very fine.
- R199 - C. Fabia x LC Princess Ishtar - Two dark and fine parents. Ishtar is one of the roundest, darkest LC's we have seen while Fabia is very dark and large. Fall and early winter.
- R207 - C. Fabia x BC Hartland - Hartland is one of the best dark Brassos, Fabia is large dark and fine. Fall and winter.
- R202 - C. Fabia x LC Ravenglass - Two very free flowering, dark parents used here. Should be a winner.
- R206 - LC Ivanhoe x BC Hartland - This should make an excellent, free flowering BLC. Both parents of show quality. Winter
- R200 - LC Princess Prudence x LC Ravenglass - With long blooming season and very high quality both parents should make this a very fine cross.
- R194 - C. Remy Chollet x C. trianaei - Two large and beautifully shaped cattleyas. This Remy Chollet is a massive, round bloom of highest quality while the trianaei is also one of the very best. This makes C. Ralph Chambers.

SPECIAL COLLECTION - ONE EACH OF THE 10 POTS ABOVE FOR
ONLY \$ 115.00

- R193 - Dendrobium Ainsworthiae x D. Thwaitesiae - This should be a very interesting and showy dendrobium hybrid.
- R415 - Phalaenopsis Confirmation x Phalaenopsis Doris - Our very fine Confirmation combined with Doris should give very heavy, white or blush pink flowers with perfect shape and form, large size.
